A modern, bright closet with white melamine shelving, drawers, and a geometric pendant light. The closet features white melamine shelving units with open shelves and drawers. A geometric pendant light with multiple bulbs hangs from the ceiling. The floor is made of dark wood. The overall aesthetic is clean and contemporary.

Melamine Shelving & Closet Hardware

Storage space is a valuable part of a home, even though we typically cover it up. Our basic collection of prefinished closet shelf boards and hardware is all that's needed to cost effectively and quickly create a good looking closet.

Stair Parts

We believe stairs are more than a connection point — they are the center of the home. The staircase serves as a place to make a grand entrance. It's the difference between formal living and privacy. Every staircase is unique and has the potential to be both beautiful and functional.

Our in-stock inventory includes a wide variety of standard stair parts including everything from modern to ornate.

CUSTOM MOULDING

OUR EXPERT WOODWORKERS can recreate original moulding profiles in virtually any wood species to meet all styles in days — no minimum footage required.

At Next Day Moulding Doors & Stairs, we believe in the preservation of history. Our community is rich with architecture dating back hundreds of years. Our team is dedicated to recreating these ornate details through our custom mouldings services.

Whatever style you need to achieve, we can adapt and provide a solution. The Next Day Moulding Doors & Stairs custom millwork shop is not limited to moulding replication. **We can also make custom stair parts, custom accents and more.**

The typical lead time from the date of final drawing sign-off is 5-7 business days plus transit time. Get started today by stopping by one of our four locations, visiting us online at nextdaymoulding.com/custom-moulding or calling our team at **781-843-6666**.
